### Headteacher Recruitment

As you are probably aware our Headteacher, Mr. Arnold, has decided to retire at the end of the summer term 2018. The Governors, with support from County and the Diocese will begin the recruitment process in early January to appoint a new Headteacher. Starting the process early will ensure a smooth handover, therefore maintaining the high standard and quality of teaching and learning within the school.

### Mission Statement

We are nearing the end of reviewing and finalising our school values and mission statement. We have been very pleased with the contributions from the children, parents, staff and Governors and you will have seen the display in the entrance hall with the finalised statement – some of

you have added your comments to this display, so thank you. Our school values have been based on Galatians 5:22-23 – “The fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control.” From this and your responses to the suggested options for our Mission statement, we have arrived at the following statement to be adopted by school – **“A place for each of us to grow in learning, friendship and faith”**

### New Governor

Hello, my name is Dave Chumbley and I am the newest recruit to the Board of Governors. I have taken the Authority Governor position. I have been made very welcome by the school and Governors and have had my eyes ‘widely opened’ to the governing, regulation, teaching principles, pupil expectations, external pressures and the general running of a school. Apparently, it is not an 8.45 to 3.15 job!

I am pleased to have been accepted to be part of the Governing Body and would heartily recommend the experience to others. Training is provided for the many aspects of governing but your personal work life experiences may be useful.
